

288 GTS

GRANFORT

CABIN

Functional comfort at its best

Experience an interior designed for ultimate coziness, including a convertible bed-table, midship bed, toilet, and supporting furniture with a microwave.

COCKPIT

Open and inviting

An environment planned for full interaction, featuring side chaise, removable center table, and a cockpit bar equipped with a cooler, fridge, and sink, ensuring your day on board is exceptionally memorable.

BOW

Versatile Navigation

Feel the wind on your face on board the 288 GTS with its accessible lowered bow. This section features a sound console, ample handrails, and a passage designed with exemplary safety in mind.

DESIGN

Bold and captivating

Featuring fluid lines and a distinctive design, this boat is ideal for those seeking to sail with style and elegance. Enhanced with unique details such as LED lighting throughout, it offers an unparalleled boating experience.

STERN

The height of your experience

Step into the extraordinary and embrace the sea on our spacious aft platform. Complete with a full gourmet area, including a grill, faucet, and cup holders, it's the perfect setting for remarkable outdoor moments.

HIGHLIGHTS

Navigate efficiently and with the best performance

- Safe and easy passage to the bow
- Ergonomic cockpit area
- Smooth sailing with performance and power:
 - high-performance engines for thrilling adventures
- Cabin for up to 4 people for overnight stays
- Full gourmet area
- Sporty design that combines elegance with functionality

ABOUT US

Established in 1990, Fibrafort stands as the premier boat manufacturer in South America, with a global footprint spanning over 18,000 units delivered to 44 countries. Through our Granfort line, we aspire to traverse the world's oceans, bringing joy and adventure to boating enthusiasts worldwide. With an unwavering commitment to quality and innovation, Fibrafort strives for excellence in the nautical industry, ensuring extraordinary experiences for all who embark on our journeys.

PARTNERSHIP

The collaboration between Fibrafort and Porsche Consulting has elevated our boats to new heights of quality and sophistication. Drawing on Porsche Consulting's expertise, we've meticulously redesigned processes and projects, solidifying our dedication to operational eminence.
