

GRANFORT

366 GTS

Granfort 366 GTS combines elegance, power, and comfort. With a sleek design, luxurious seating, and a well-appointed cabin, it offers style and relaxation. Perfect for those who demand sophistication on every journey..

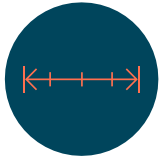

The background of the image shows two sleek, modern speedboats on a body of water. The boats are white with dark accents and have a curved, aerodynamic design. They are positioned on either side of the central text. The water is a deep blue, and the sky is a lighter blue, suggesting a clear day. The overall image has a blue tint.

AMENITIES AND PREMIUM SPACE

The 366 GTS puts control and safety at your fingertips with its dual Simrad 12" screens — one dedicated to engine monitoring and the other for navigation. Seamlessly integrated, it offers VHF radio communication, intuitive joystick steering, and responsive throttle controls within easy reach, ensuring a safer and more enjoyable journey. Every feature is designed for precision and convenience, so you can focus on the adventure ahead.
